

Mountain Lion BackPack Program

"Food for kids for the weekends"

Food Drive

The Mountain Lion Backpack Program is always looking for businesses, groups, organizations, and individuals to hold food drives to collect food donations to assist in providing food for Altoona elementary school students over the weekends during the school year.

We encourage you to select one, two, or three items from the list below, so that you are able to collect as much as possible to fill the need for over 1,200 elementary students. Items should be individually wrapped, boxed, or canned.

If you have any questions or to make your food drive donation, please contact Amber Smith, Program Director at 814-946-3651 or email mountainlionbp@blaircap.org.
